

# Aberfeldy School Strategic Plan 2026 - 2028

## Learning Culture

**Create a school-wide learning culture that values and supports the growth of both students and staff.**

- High quality teaching practices
- Student ownership of learning
- Staff professional growth and collaboration

## The Aberfeldy Experience

**Improve student attendance and engagement through a curriculum that is authentic and relevant to Aberfeldy learners.**

- Place-based and authentic learning
  - Environmental and outdoor education
- Strong connections with whānau and community

## Strong Systems

**Strengthen the systems and practices of the school to ensure clarity, consistency, and continuous improvement.**

- Clear assessment and reporting systems
- Up-to-date policies and procedures
- Strong governance and leadership processes
