Important Van Message – PLEASE READ

Our school van service is something we are very proud to offer. It plays an important role in supporting our whānau and ensuring our tamariki can access school each day, particularly given our rural location.

Over time, we have noticed that a number of van payments have fallen behind. This creates an unfair situation for those families who are consistently making their payments and places increasing financial pressure on the school.

To ensure the long-term sustainability and fairness of the van service, **we will be reinforcing our existing van policy from the beginning of Term 3.** This policy requires payment in advance for van use. In simple terms, this means that from Term 3, **if payment has not been made in advance, the van will not be able to collect your child/children.**

We are sharing this information now to give families plenty of time to prepare. If you currently have any outstanding van payments, we ask that these are caught up during Term 2.

We understand that circumstances can vary from family to family, and we are always open to working together where needed. If you have any concerns or would like to discuss your situation, please don't hesitate to get in touch.

Another Reminder: Policies & Procedures

There are dozens of policies and procedures that cover managing and governing a school. Like other schools, Aberfeldy has enlisted the help of SchoolDocs to help centralise and manage these.

Many of our policies and procedures are relatively standard when compared to other schools; however, there are some that have been tailored to meet the specifics of our School's culture and context.

We invite you to visit our School's policies by logging in directly to the SchoolDocs website
