Principal's Message

The middle part of a term can often feel busy and tiring, but it is also where routines, learning habits, and relationships are so important.

Our students continue to show growth not only in their learning, but also in the way they support one another, solve problems, and contribute to the culture of our school. I'm very proud of our young people.

We continue to focus on creating a learning environment where students feel supported, challenged, and proud of who they are.

Thank you to our families and wider community for your ongoing support and positivity. We are looking forward to another great week of learning, opportunities, and experiences together. In fact, we are really looking forward to Friday where the theme for the day is *electricity*!

Raewyn and I have been busy preparing resources for our new theme-based Fridays!

Have a great week everyone 😊

NOTICES

This Weeks School Docs Spotlight: Complaints and Concerns

This policy explains Aberfeldy School's process for managing concerns and complaints. It outlines who concerns should be directed to, how the school responds, and the expectations around fairness, privacy, and respectful communication.

Key points include:

- Concerns and complaints can be raised verbally or in writing.
- Depending on the issue, concerns may be directed to: a staff member, the principal, the Board Chair, or another board member (if the concern involves the Board Chair).
- We may ask for concerns to be put in writing to help manage the matter clearly.
- Privacy and confidentiality are expected throughout the process.
- We aim to manage concerns in a timely, fair, and unbiased way while protecting everyone's mana and dignity.
- Everyone involved will have the opportunity to be heard before decisions are made.
- The school will communicate how the concern or complaint will be managed and will notify people when the matter is considered closed.
