9th April 2021 Week 10 Term One

Greetings to all Parents, Caregivers, and whanau,

Immunisations:

Our Year 7 & 8 students (that have consented) will receive their first immunisation injection on Monday, 12th April at 11.00am.

Science Roadshow Tuesday 13th April:

All of our students will be attending the Science Roadshow at Wanganui Intermediate on Tuesday, 13th April 2021 from **10.35am to 11.55am**.

Change of plans -

Town students ***will not*** be coming to school in the morning, prior to the Science Roadshow.

Town students will be picked up from 9.30am onwards (Aramoho students first as usual). We will then meet up with the rest of the school at Wanganui Intermediate at 10.15am. Arrangements will be made for the three Aberfeldy students to be transported to town, and home again.

After the Science Roadshow we will have lunch at Kowhai Park and then go to Splash Centre for a swim. Children will be arriving home just after 2.30pm.

Children will need to bring -

- ♦ Lunch and a drink
- ♦ Swimming togs and towel

All children are expected to swim. If your child is not swimming, they must bring a note to excuse them and will be dropped home around 1.00pm - they will not be going to Splash Centre.

Please download the free Skool Loop app on your phone, select Aberfeldy School, and then use the Permission button to give permission for your child to attend this event. *Once in the permission area you go to "Select activity"*.

Copies of the newsletter are also available on this app.

School lunches:

More students are starting to try the new healthy lunches and are finding that they do actually like them! Thank you to the whanau that have supported this and encouraged their tamariki to try new things. We look forward to seeing what exciting food we will get in Term Two as the weather gets colder.

Leavers:

We will be very sad to see Heaven and Anthony leave us at the end of this term. They have been at Aberfeldy School for the last three and a half years and will be missed greatly. They are moving to Taumarunui to be by whanau. We hope you guys have a great time and enjoy your new school!

Van:

All town families are asked to contribute \$20.00 per week towards the running of the van. For those that have not started automatic payments, or made any contribution through the term, if you wish to make a one off payment for Term One (11 weeks) the amount owing is \$220.00.

Bank account details: **02-0792-0329292-25**. Please enter your child's name or family name as a reference.

Term Two has 10 weeks and students that are not paying via weekly automatic payment will receive an invoice for the full term in the first week of school (\$200.00).

Camp Payments:

Just a little reminder that we would really appreciate people making an effort to pay these please ☺

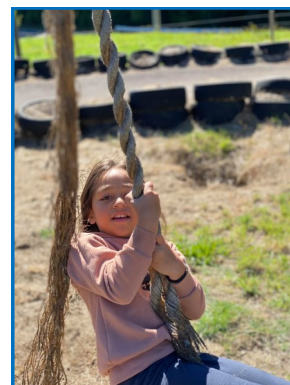

End of Term:

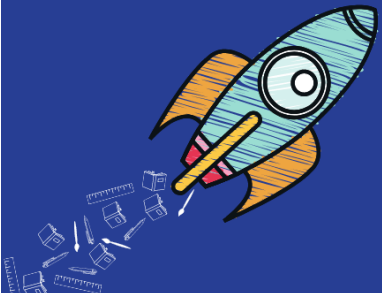

Term One ends on

Friday, 16th April.

We have a fun day planned for the end of term and will be finishing slightly earlier than normal - expect your child home approximately 1/2 hour earlier than normal.

Term Two starts on Monday, 3rd May and goes through until Friday, 9th July.

WE HAVE LIFTOFF!

We are going to try using the SKOOL LOOP app again.

Please see the details below on how to download the FREE app.

This can be used for reporting if your child is going to be absent.

Downloading the Skool Loop app - a step by step guide

Once you have downloaded the Skool Loop App, via either your Google Play or App store, please follow the below instructions to select your school -

- Open the Skool Loop App - you will land on a welcome page.
- Click the 'Select your schools' this will bring you to a menu you can either search your school or follow the country/region prompts.
- Once you reach your school, select it with the tick on the righthand side.
- Tap the 'select schools' button in the top right corner.
- Tap the big orange choose button. This will load your school and bring you to the settings page.
- Subscribe to the groups that are relevant to you, then click the 'go back' button on your phone, which will bring you to the main screen of your schools app.
